**Bishop Rosie O'neal**

**Bishop Rosie O'neal** is often described as down to earth because of her “keep it real approach”. In a day where the stage, the spotlight, and stardom are being sought after, Bishop O'neal brings a breath of fresh air that focuses on the simple life—**founded in Jesus Christ!**

« I met Bishop Rosie O'neal 15 years ago. I was a person who was wounded, scared and suspicious. Bishop O'neal's love, patience, support, and insight into Scriptures revolutionized my life. Since becoming acquainted with her ministry, I am NOW more confident, and I have had an increased ability to impact people's lives.”

**Dr. LaTonya Nixon, Vice President of Student Services, Beaufort Community College**

“Connecting with Bishop O'neal has inspired me to aim to hear the voice of God in a new way. I am a Pastor and she has encouraged me to love the people of God even more deeply and to remain focused on what God has called me to do. She has a “simplistic” method of teaching that has helped me to go deeper in the Word of God. Her teaching encourages leaders like me to remain focused, strong, and to intentionally make a difference. Her transparency reminds that God can still use a flawed vessel!”

**Pastor Greg Gilliam, Senior Pastor of World Harvest Christian Center**

# Bishop Rosie O'neal

In person or through the written word, Bishop Rosie's voice gets straight to the heart of the matter and points directly to Jesus Christ.

As a speaker, an author, and a Pastor to Pastors, Bishop Rosie helps to take complex concepts and make them simple. She has a heart to see all people experience the love of Christ and the fullness of life.

From a "weekend pass" baby to a cancer survivor, Bishop Rosie's life has been filled with a pursuit to know Jesus in a more intimate way and to make him known. She often states, "If pleasing Christ is my ultimate aim, then the circumstances of my life are immaterial. We are called to live by faith and by faith, we can overcome every challenge."

Bishop Rosie started Koinonia Christian Center Church in 1989 with 7 members and has grown the membership to over 2000. She has a special place in her heart for veterans, the elderly and those who are a part of the Special Needs Community. Pastors, Community Leaders, Women in Ministry, and churches all agree: Bishop O'neal delivers messages that are real, relatable, and revelatory.

Bishop Rosie is the founder of Koinonia Fellowship of Churches and Ministries, "K.F.C.M"—a nonprofit organization designed to provide support, training, and strategic planning to Pastors who desire to connect more intimately with the members and expand their church's reach.

Bishop Rosie and Toiriste have been married for over 30 years. They are the proud parents of two grown sons, TJ, and Jonathan.

Some of her favorite things include RV life, the game of Trouble, playing golf, and good Southern cooking. In a world where things can get so complex, Bishop Rosie is known for bringing simplicity to life!
